

So much happy hat-wearing!

A big thank you to everyone who took part in Hats for Cats last week!

Our justgiving page already has nearly £200!

We certainly enjoyed wearing our hats at the support office in Solihull and from the photos we can see you had fun all over the country! A special well done to Maven Vets, where they raised over £100!

It was a great way to kick off our fundraising for 2019 – you can see all the other things we have planned throughout the year in our [charity calendar](#). It features the big moments when we can pull together and also those more physical challenges you might want to tackle if you feel energetic!

If you have any questions about how to get involved or how to get fundraising materials (collection tins, leaflets etc) just email news@linnaeusgroup.co.uk
