

## Hill's treats offer

Hill's has launched 5 NEW functional dog treats! To celebrate, they are offering a 3 + 1 offer on the Hill's Treats range!

Pet parents love to give treats but choices are overwhelming and not always healthy! Now, Hill's offers a new range of mouth-watering, scientifically developed treats to address dogs' unique needs.

These treats can complement any of Hill's foods including Prescription Diets!

To take this offer up, below are links to the relevant deal sheets including a handy table to let you know which foods and treats go hand in hand:
